

University Hospital Geelong

Emergency Services

Pharmacy loading dock closure

Effective 7 November 2024

Pharmacy loading dock will permanently close.

Pharmacy loading dock laneway (GATE 8) will close

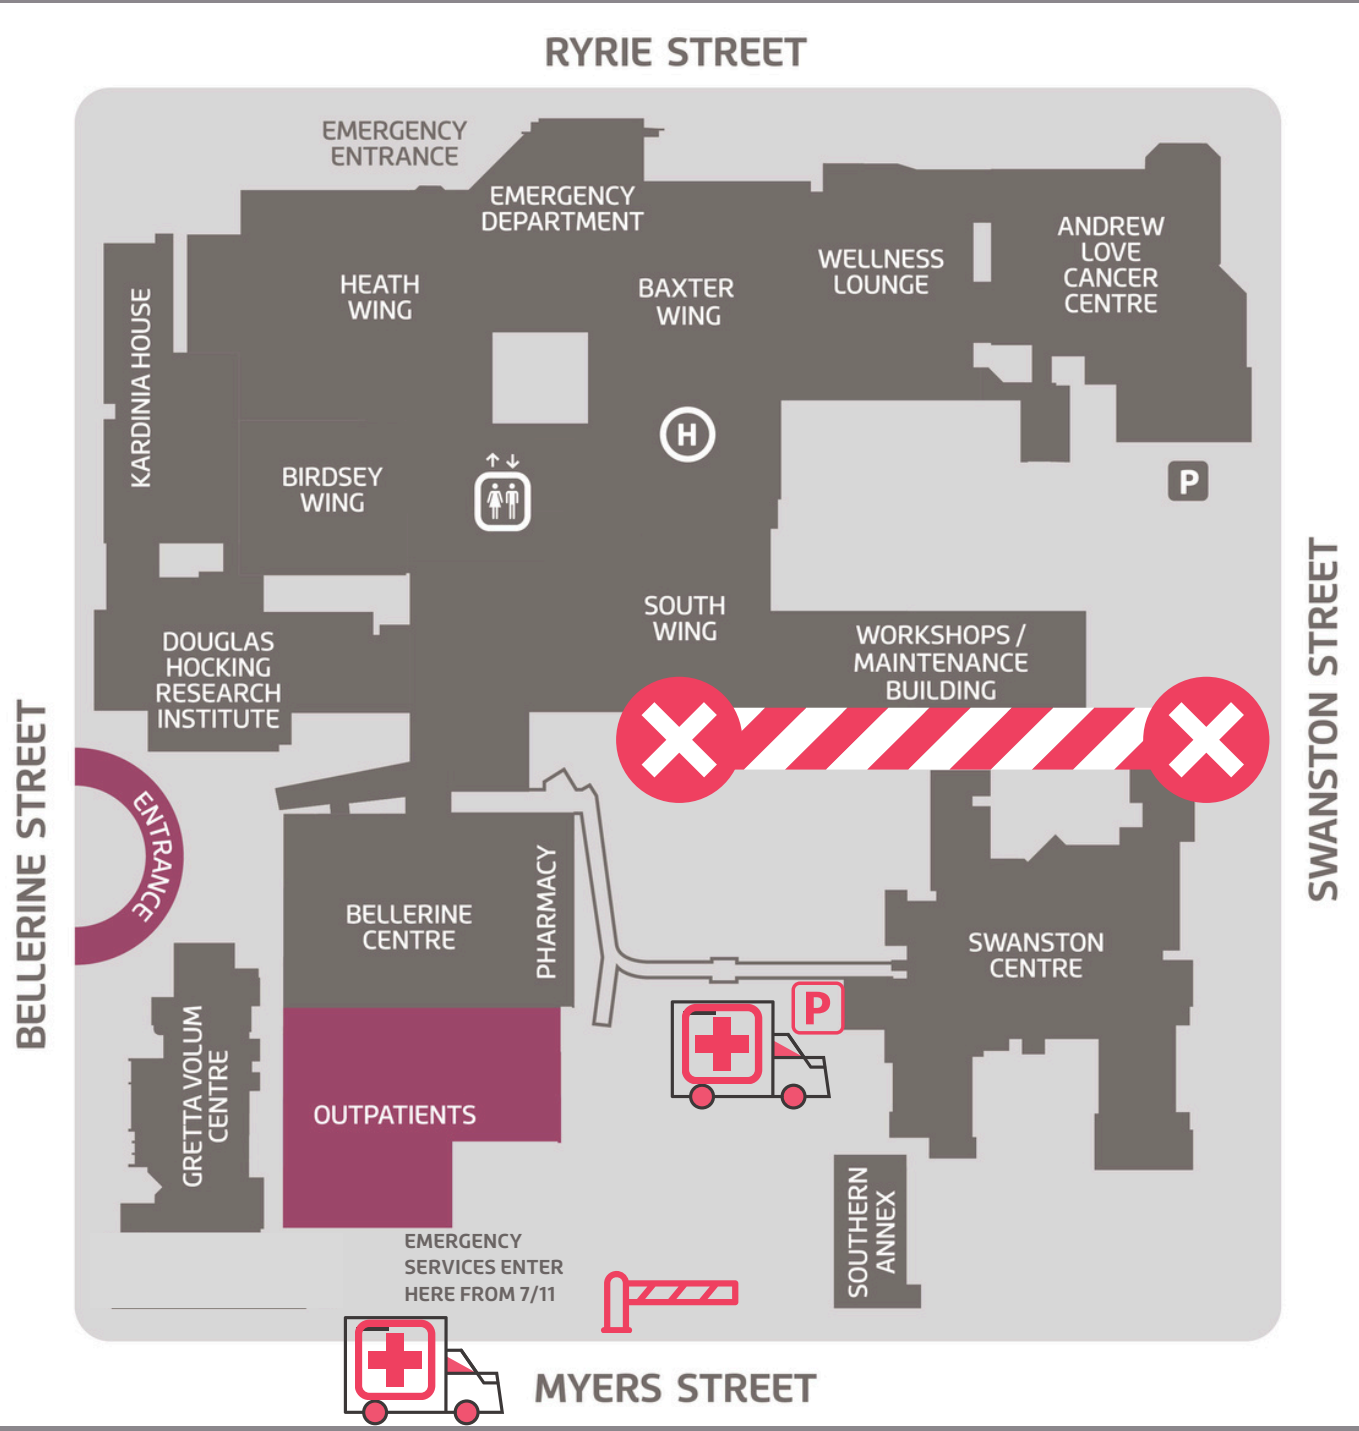

A temporary access/parking area for Emergency services accessing Swanston Centre established in the Myers Street car park via a boom gate.

Boom gate. Code required. Call 4215 0000 or AV/Vic Pol if you require the code.

The longer term plan is for Emergency Services to regain access to Gate 8 in Swanston Street after some enabling works are completed.

For any issues contact the hospital switchboard on 4215 0000
